7th August 2022

Good afternoon, Ladies,

I wish to thank everyone who attended the Ladies Super League AGM meeting held on Sunday 7th August 2022 at the Central Ward Club.

The meeting was opened by the Chairman – Teri Kidwell.

Everyone agreed that the outcome of last seasons' amendment to change to a singles league to encourage more players to the Super League to field a Ladies County Side, was very successful and the players picked for County Selection did a great job. The consensus was that although this was successful in its purpose, changes were needed to allow for more socialization, team camaraderie, time issues and more weeks available to complete the fixtures.

We had three Proposals put forward and after a good discussion it was voted unanimously that we would continue to run the Super League as a Singles League as before, with some changes to the Rules and Format of Play.

A summary of what has been agreed is listed below, but I attach a full copy of the new Amended Rules which will become valid from the start of our playing Season.

1. Two games of singles per night – 501 best of 5 games – Points scored per legs won.
2. Fixtures where possible to be every two weeks
3. We have established 4 Teams, to comply with UKDA Rules for the Champions Cup – you will need to join one of these teams before you play a game.
Captains elected were Team A – Mandy Pawley
 Team B – Hannah Tomkins
 Team C – Gill Santos
 Team D – Teri Kidwell
4. You will be required to Chalk, or Score take immediately after you have played.
5. Averages to be recorded on every game
6. You must inform me of non-attendance by 2pm on the playing date or you will have points deducted.
7. Results to be updated on the Surrey Forum – Toe the Oche – (or something similar if not available).

SIGNING ON AND FIRST GAME OF SEASON TO START ON FRIDAY 19TH AUGUST 2022

There was no other business to discuss and therefore the meeting was closed by Chairman – Teri Kidwell.

I hope that this season will be even more enjoyable and look forward to seeing you all soon.
